The Basics Made Better

Drawing on decades of expertise in creating both fixed-height and height-adjustable desks, the Essential Desk is our answer to one ongoing question: How can we make this better? Designed for diverse needs, it features extensive height adjustability, multiple control options, and a variety of surface shapes. Add to that an array of accessories and premium finishes, and the Essential Desk becomes more than just a place you work—it's a place that works for you.

Vertically Versatile

Available in both fixed and adjustable heights, the **Essential Desk** uses top grade LINAK components to offer standard and extended height ranges.

Anti-Collision Technology

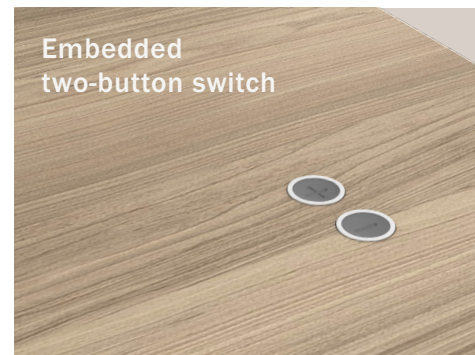

For enhanced safety of both the user and the desk's surroundings, we've incorporated LINAK's anti-collision sensor. This feature minimizes the risk of material damage to the desk or any nearby objects during adjustments.

Bluetooth Compatibility

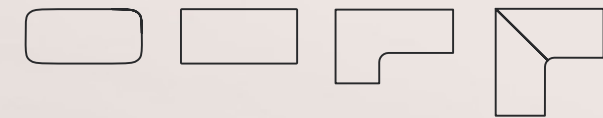

With the optional Bluetooth adapter, users can wirelessly adjust their desk height, receive reminder notifications, and access other wellness-tracking features through LINAK's Desk Control app.

SWITCH OPTIONS

Shape Your Experience

Select the ideal worksurface shape for your **Essential Desk**—from classic rectangles to specialized forms like extended corners, verves, and super ellipses. Each design is available in diverse dimensions to accommodate a multitude of specific needs and applications.

Keeping a Low Profile

We've engineered the desk's feet to be tapered and low-profile, minimizing visual clutter while maintaining stability. This sleek design allows under-desk storage to fit seamlessly, creating a clean and unobtrusive workspace.
