

Zo Office

NEIGHBORHOOD VIBES, WORKPLACE TIES

watson

Welcome to the Neighborhood

Zo is our love letter to the office, where culture and values are nurtured and defined. Conceived as a set of easy-to-use building blocks, it effortlessly establishes neighborhoods and creates inviting workstations that people want to work at. Zo scales to all budgets and project sizes, so it's easy to make where we go to work a place worth going to.

ZO OFFICE

Make Workstations Destinations

Featuring height-adjustable workstations with a range of integrated and add-on storage options, **Zo Office** defines and support team hubs, focus zones, private offices, and open plan workplaces.

Build Your Block

Planning is easy and intuitive. **Zo Office** comes in four distinct models: run-off, inline, dual-inline, and corner. This opens up countless opportunities to design 2, 4, and 6-packs, against-the-wall configurations, and much, much more.

Run-Off

Dual-Inline

Corner

Placemaking Meets Space Planning

Create neighborhoods that prioritize team co-working or individual focus. Looking beyond the open plan? With generous worksurfaces and storage configurations, Zo is perfect for private and shared offices.

For Filers, Pilers, and Collectors

A dream come true for filers, pilers, and collectors, Zo Office's integrated storage comes in a range of styles and configurations to help keep work tidy. Finish a space with Zo credenzas, stacking , and personal storage.

Vertically Versatile

Height-adjustable models include an e-chain to manage and direct cables, and offer three control switch types with Bluetooth compatibility.
